

Fife Line Sectional Practice through June 13th

Some notes on tunes from practices and first parades:

Downshire: Keep working on the B part. We'll be practicing it on May 9.

Eel Pot / Stone's Mongrel : Pay attention to the different endings in each part. It sounded a little mixed-up when we played it on the 19th.

Empty Pockets / The Day We Paid the Rent: Please mind the sheet music in the B part... The tune is correct on the website, so you can also avail yourself of the midi file to help with that part of the tune.

Mason's Apron, Montezuma: Plan your breathing in advance.

Over the Waterfall / St. Anne's Reel: Review with the sheet music. There are some persistent, wrong notes in these tunes.

Paddy on the Handcar: Refer to the Sudbury sheet music.
